sense and simplicity

Bluetooth Stereo Headset

SHB7100/27

Specifications

Connectivity
- Bluetooth profiles: A2DP, AVRCP, Handsfree, Headset
- Bluetooth version: 1.2
- Maximum range: up to 33 feet / 10 m
- Bluetooth QD ID: B012309

Convenience
- Call Management: Switch between call and music, Answer/End Call, Reject Call, Voice dial, Last number redial, Call Transfer
- Volume control

Power
- Battery Type: LI-Polymer
- Rechargeable
- Music playtime: 8 hr
- Standby time: Up to 210 hrs
- Talk time: Up to 10 hrs
- Battery weight: 6.5 g

Sound
- Magnet type: Neodymium
- Speaker diameter: 10 mm

Accessories
- Charger: International (100 - 240 V AC)

Dimensions
- Product dimensions (WxDxH): 22x18x54 mm (pendant)
- Product weight (g): 22 g (pendant)

Green Specifications
- Lead-free soldered product

Inner Carton
- Gross weight: 3.02 lb
- GTIN: 1 06 09585 12091 1
- Inner carton (L x W x H): 7.7 x 5.2 x 9.8 inch
- Nett weight: 2.381 lb
- Number of consumer packagings: 3
- Tare weight: 0.639 lb

Outer Carton
- Gross weight: 13.36 lb
- GTIN: 2 06 09585 12091 8
- Outer carton (L x W x H): 16 x 10.9 x 10.4 inch
- Nett weight: 9.524 lb
- Number of consumer packagings: 12
- Tare weight: 3.836 lb

Packaging dimensions
- Packaging dimensions (W x H x D): 4.9 x 8.6 x 2.4 inch
- Gross weight: 0.926 lb
- Nett weight: 0.794 lb
- Number of products included: 1
- Packaging type: Blister
- Tare weight: 0.132 lb
- UPC: 6 09585 12091 4

Product highlights

Bluetooth HSP/HFP compliant
Bluetooth is a cable replacement technology. Bluetooth is a global standard, so Bluetooth devices of different manufacturers can interoperate using shared Bluetooth profiles. HSP (Handset Profile) and HFP (Handsfree Profile) are the profiles required for typical Bluetooth headset operations. If your mobile phone is compliant to HSP or HFP (like virtually any Bluetooth enabled phone) this headset will work with it. The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Koninklijke Philips Electronics N.V. is under license.

Bluetooth Stereo (A2DP)
This Philips device fully supports Bluetooth Stereo (A2DP). A2DP (Advanced Audio Distribution Profile) compliance enables this headset to receive stereo music from any Bluetooth device that is A2DP compliant. Therefore you can use this headset with any compatible mobile phone, PC, Bluetooth adapter, MP3 player etc. that supports A2DP.

Digital stereo sound quality
The audio signal is transferred wirelessly as a digital signal and is only converted to analog in the device itself. This means that interference noise has less influence on the sound quality than with analog technologies. The sound playback will be true to the orignal recording and sound source.

SwitchStream
With SwitchStream you will hear a ring tone in your headset when you are receiving a call on your Bluetooth enabled phone. You can then pick up the call from your headset and return to your music after ending the call. Never miss a a beat, never miss a call.

Wireless music control
Music control buttons on your headset allow you to wirelessly control music on your (AVRCP - Audio Video Remote Control Profile) compatible phone, MP3 player or PC. Skip forward to your favourite songs, or pause the music for a quick chat - all with the press of a button within your arms reach.

Wireless call management
Manage your call without using your mobile phone. This includes call aceptance, rejection, voice dial and redial. Voice dial and redial have to be supported by your mobile phone.

TailorMate headphone concept
With TailorMate you can use the headset pendant with any 3.5mm jack headphone to match your style.
